

Patient Attachment Mechanism & Pathways Status

Division	Locating a Family Physician	Locating an Adult Specialist
<p>Burnaby Division of Family Practice</p> <p>W: https://www.divisionsbc.ca/burnaby/lookingforadoctor E: burnaby.findadoctor@divisionsbc.ca</p>	<p>Patients can check out the Burnaby Division webpage for a list of family physicians accepting patients. The Division maintains a list of family doctors on our website who have informed the Division they are accepting patients. The Division does not recommend or endorse any particular family doctor (or clinic). These family doctors have not guaranteed they can accept all patients at all times, as they have their own established criteria. The Division updates this list regularly. If there is no doctor is listed on the website, or you have a specific question about patient attachment, please email the Division at burnaby.findadoctor@divisionsbc.ca</p> <p>Pathways: Burnaby based family doctors with sub-specialties can be found on Pathways.</p>	<p>Information unavailable at this time.</p>
