

Patient Attachment Mechanism & Pathways Status

Division	Locating a Family Physician	Locating an Adult Specialist
<p>Chilliwack Division of Family Practice</p> <p>T: 604.795.0034 (Chilliwack, Agassiz, Harrison)</p> <p>T: 1.844.795.0034 (Hope and Fraser Canyon)</p> <p>W: http://chilliwackyhc.com/</p>	<p>This Division has a Patient Attachment Mechanism (PAM) and is currently prioritizing patients who are discharged from hospital without a family physician. Otherwise, there is a waitlist. Patients can call the number listed and register, but there is no estimate on the wait list length. Patients can also go to one of the two Youth Health Centre sites - http://chilliwackyhc.com/. If they are in need of ongoing care they will be matched with one of the physicians from the Youth Health Centre.</p> <p>Pathways: Pathways is set up and the majority of family physicians are on it. They do not use Pathways to note whether family physicians are accepting new patients.</p>	<p>Pathways: Pathways is setup and the majority of specialists are on it.</p>
