

Patient Attachment Mechanism & Pathways Status

Division	Locating a Family Physician	Locating an Adult Specialist
<p>Langley Division of Family Practice</p> <p>T: 604.510.5081</p> <p>W: https://www.divisionsbc.ca/langley</p>	<p>The patient can call the number listed and they will attempt to assist. However, it is a difficult situation in Langley (with a 65% growth rate) with many patients looking for a family physician. Alternatively patients can refer to the website to check GP's who are taking on patients.</p> <p>Pathways: They do have Pathways, but family physicians are not listed.</p>	<p>Pathways: They do have Pathways and specialists are listed.</p>
