

Patient Attachment Mechanism & Pathways Status

| Division | Locating a Family Physician | Locating an Adult Specialist |
|---|--|---------------------------------------|
| Richmond Division of Family Practice W: https://www.divisionsbc.ca/richmond | No formal attachment mechanism in place, referrals happen without divisional interface. Two of the senior's pediatricians have advised they call up GP colleagues to have them take them on. Pathways: This Division does have Pathways with Family Physicians listed in it. | Information unavailable at this time. |
