

Patient Attachment Mechanism & Pathways Status

Division	Locating a Family Physician	Locating an Adult Specialist
<p>White Rock – South Surrey Division of Family Practice</p> <p>T: Central Registry 604.531.3111 W: https://www.divisionsbc.ca/white-rock-south-surrey/home</p>	<p>This Division has a central registry, which patients can call when looking for a family physician. The central registry is tied to their Primary Care Access Clinic that will also take on complex patients that can benefit from the clinic model (with the hope of transitioning the patient to a community GP once stabilized).</p> <p>Pathways: This Division does have Pathways but it does not list family physicians.</p>	<p>Pathways: This Division does have Pathways and it lists specialists.</p>
