

CME

One of the main goals of the BC Pediatric Society is to provide accredited educational events for pediatricians and other health care professionals.

The two main programs we provide are:

[Evening Journal Club](#)

[Dinners](#)

The BC Pediatric Society offers CME accredited evening Journal Club dinners, which feature a speaker and topic identified by the BCPS of interest and importance.

This series of presentations focuses on topics of interest to pediatricians. We survey our members to see what topics they want to hear about, so if you have a request, please let BCPS know at admin@bcpeds.ca.

To view past Evening Journal Club Dinner presentations, please check out the [Member Only site](#). Login required.

Current Offerings

Please check back for sessions that will be offered in Fall 2024. Thank you.

[Children's Health](#)

[Today Conference](#)

Children's Health Today Conference is a partnership between the BC Pediatric Society

and BC Children's Hospital.

November 8 + 9, 2024

Save the Date! BC Pediatric Society is delighted to partner with the Division of Hematology, Oncology, and Bone Marrow Transplantation, UBC, BC Children's Hospital.

[Please click here](#) to view the conference website and register for the conference.

We Value our Members, and our Members Value Us!

The BC Pediatric Society represents all pediatricians in British Columbia through our affiliation with the Doctors of BC (as the Section of Pediatrics), as well as with the Society of Specialist Physicians and Surgeons. And we advocate on behalf of all the children and youth in British Columbia in terms of health care needs.

When we have the funds, we film these sessions so that if you're not able to attend, you can still gain a benefit from the lecture and discussion. These videos are posted in the Member Only section under CME and Education.

For these reasons, we really encourage all pediatricians to be members of the BC Pediatric Society.
